

1935

TRI-STATE AMATEUR ROUND-UP EVANSVILLE, INDIANA
AUGUST 24-25 1935

The combined amateur radio clubs of Evansville, Indiana and Henderson, Kentucky are going to stage one of the largest amateur meetings of the year on AUGUST 24-25. This invitation is only one of the nearly two thousand being sent to amateurs of five states within a distance of over one hundred and fifty miles.

The program committee has a program under way which will be exciting, entertaining and educational. Plans include inspection of a successful nine meter two-way police station, a trip through a tube manufacturing company in operation, talks, games, rag chews, and a big auction of \$1,500 worth of radio parts. This auction will be short and snappy as we obtained these parts for a small fraction of their worth. There will be prizes of brand new equipment that every amateur will be glad to lay hands on.

COME TO EVANSVILLE AUGUST 24-25 and meet the gang here as well as from all directions.

MARK AUGUST 24-25 as reserved for the TRI-STATE AMATEUR ROUND-UP at EVANSVILLE, INDIANA.

Watch for further notice and talk it up, gang.
Let's go!

W9KVE
Round-up Chairman

August 5, 1935

Mr. Fay Gehres
Radio Station WGBF
Evansville, Ind.

My dear Fay:

I certainly thank you for the opportunity of contributing to your hamfest. I shall be in Evansville for the entire meeting and shall be glad to talk for any length of time you should allot me.

As a subject I should like "Class B Audio," but if this doesn't fit into your program I shall be glad to change to anything you may feel more appropriate.

As I am going to be out of town for part of August, I should appreciate your mailing any information to me at the E.E. Building, Purdue University.

Until August 24, 73's

Mr. Fay Gehres
Chief Engineer
WGBF
Evansville, Indiana.

and Henderson,
before he

Dear Fay:

Thanks for your letter of July 20.

Your tentative program seems very interesting to me. I would enjoy every bit of it and only regret that I can come for only one day. We habitually take the youngsters to bible class and church services on Sunday, and since we live out in the country it might be better for me to come to Evansville on Saturday. If you prefer to put my talk on the Sunday program, however, I can take the folks in to Bloomington before I start to your city. Your Saturday schedule seems pretty well filled.

You know about the driving time from Bloomington to Evansville. I can make an early start from here. Just allow reasonable driving time and I will try to make it.

With best wishes, I am

Yours very sincerely,

Herbert Hazel.

TRI-STATE AMATEUR ROUND-UP EVANSVILLE, INDIANA
AUGUST 24-25, 1935

The combined Amateur Radio Clubs of Evansville, Indiana and Henderson, Kentucky present the TRI-STATE AMATEUR ROUND-UP. Never before has there been equalled a program so chuck full of entertainment and action as that formed by the gang backing the TRI-STATE AMATEUR ROUND-UP. YL'S and OW'S are cordially invited and special entertainment has been arranged.

August 24

9:30AM The Vendome Hotel, 3rd and Sycamore Streets. ROUND-UP final registration, checking in and a general get-together starts the action. The Vendome has offered us the hotel as the center of all activities and made special rates for those wishing to use its facilities. One buck and up.

11:00AM City Building. Address of welcome by Hon. Wm. H. Dress, Mayor of Evansville, Indiana. Inspection of the Evansville Police Radio System, a pioneer in the field of ultra high frequencies. This very successful installation will be a high spot of the program. Inspection of the Local Naval Reserve Layout, a masterpiece for a ham installation.

1:00PM Special excursion to Owensboro, Kentucky. The Ken Rad Corporation has a big afternoon planned for us. They are making the new all metal tubes and here is a chance to get the inside dope on their construction and use.

7:00PM The Banquet at the Chamber of Commerce Building. A part of the Round-Up everyone will look forward to and always remember.

~~8:00PM Technical Talks and demonstrations. We have assembled a group of Professors and Engineers who are new to the gang, but are leaders in the field. Subjects will cover, Modulation and Sidebands, Cathode Ray Oscilloscope, Amateur Regulations, etc.~~

9:30PM Auction. In the auction we have radio transmitting parts that are going to go at a fraction of their worth. Everything will be tested and described before the bidding starts. There are too many parts to mention them individually. Here is a chance to obtain parts at a price not available any other place.

August 25

9:30AM Meeker Park. 1st Lieutenant G. V. Morse, Signal Officer of the 1st Cavalry, Fort Knox is bringing a big demonstration of vehicular radios, both transmitters and receivers and powers up to 75 watts. With him will be a group of men we will all be glad to meet. All who so desire may bring their five meter rigs as this part provides ample space for a grand try-out for this equipment. The Official program will be closed shortly after noon with the distribution of prizes and closing talks by those prominent in local amateur activities.

This ROUND-UP is going to be one of the largest and most entertaining amateur meetings of the year. The local gang is sparing no expense in making it a big success. These notices are being mailed to almost two thousand amateurs in five states within a radius of over one hundred and fifty miles. Every amateur in many miles is already making plans to attend the TRI-STATE AMATEUR ROUND-UP. The advance registration fee is \$3.00 per person, the exact amount it will cost the local clubs for the excursion and the banquet. It is absolutely essential that you send in your advance registration before the

the local clubs for the excursion and the banquet. It is absolutely
essential that you send in your advance registration before the
closing date, which is Saturday, August 17, 1935. All registrations
after this date will be required to pay the door fee of \$2.50 per
person. Send yours today to W9BZF, Mr. John B. Garaway, Jr.,
Chairman of the Program Committee, 519 Vine Street, Evansville,
Indiana. Your ticket will be mailed to you by return mail.

We have arranged with the management of WGBF 830kc to have one of
the local amateurs to give you the latest dope on the TRI-STATE
AMATEUR ROUND-UP daily, except Sunday at 4:40PM. Listen in and
follow the crowd to the TRI-STATE AMATEUR ROUND-UP at Evansville,
Indiana, August 24-25 1935. BE THERE AND SEND IN YOUR RESERVATION
NOW!!!
